

Pronunciation Lab for Healthcare Professionals!

Is English not your first language?

Do you need help with **pronunciation** of medical terminology and sentences used in healthcare?

Come to our **FREE** Drop-in Lab for
Pronunciation Practice!

Highline Community College
Building 30, Room 212

Come in any time during these hours:

**Monday, Tuesday, Wednesday or Friday from 12 noon – 4:00 p.m. OR
Monday, Wednesday or Saturday from 9:00 a.m. – 11:00 a.m.**

- for non-native English speakers – a lab assistant will be there to help you
- independent study – come when you want – work around your schedule
- medical words, phrases and sentences for healthcare jobs
- record your own voice and compare to the voice on the software
