

Draft Washington Center for Nursing Research Strategic Plan 2021-2023

March 2021

Stakeholder Survey

1. What WCN reports do you currently use?
2. What education nursing workforce data would you like to see collected and reported?
3. What supply nursing workforce data would you like to see collected and reported?
4. What demand nursing workforce data would you like to see collected and reported?
5. What diversity nursing workforce data would you like to see collected and reported?
6. What nursing program applicant data would you like to see collected and reported?
7. What other types of research reports would you find useful?
8. Do you produce workforce data? What resources do you have to produce the report? If so, please share the resource.
9. Other comments or suggestions?

Strategic Goal 1: Use data to inform leaders (elected and policy) to ensure systems solutions to address nursing shortage. All research studies will focus on all levels of nurses as data is available- LPN, RN, APRNs.

	2021-2022	2022-2023	2023-2024
Education Data	<ul style="list-style-type: none"> • Collaborate with Commission to get the 2020 data and see what we can with it (data mining) Develop report including Diversity. 2010-2020 (10 -year trend study) compare with NLN/AANC data • Applicant Survey- Develop report including diversity 	<ul style="list-style-type: none"> • Collaborate with Commission on 2021 data. Develop report including diversity. • Faculty Survey- Develop report including diversity. 	<ul style="list-style-type: none"> • Collaborate with Commission on 2021 data. Develop report including diversity. • Nursing Student survey- including diversity
Supply Data	<ul style="list-style-type: none"> • Obtain basic supply data- NCQAC/ Nursesys (license, gender, zip code, address, age) • Utilize Forum/NCSBN 2020 Workforce Survey results for Washington compared with National Data 	<ul style="list-style-type: none"> • If available, develop a Supply report using HELMS data. Otherwise- utilize American Community Survey Data or other sources. Develop report including diversity. 	<ul style="list-style-type: none"> • Develop Supply report using HELMs data include diversity information.

	<ul style="list-style-type: none"> Utilize HRSA Sample Survey Develop Supply report including Diversity Work with HELMS on developing questions 	<ul style="list-style-type: none"> Potential to utilize U.S. Census Bureau data 	
Demand Data	<ul style="list-style-type: none"> Utilize existing Department of Labor Statistics and Sentential Network Data. Develop demand report including diversity. 	<ul style="list-style-type: none"> Develop supply and demand projection utilizing available supply and demand data. Develop report. 	<ul style="list-style-type: none"> Collect demand data as needed and utilize available data. Develop report.
Other Data/Products	<ul style="list-style-type: none"> Develop a series of Fact Sheets using Education, Supply and Demand information for LPNs, RNs, APRNs, Diversity Focus, Faculty 	<ul style="list-style-type: none"> Develop a series of Fact Sheets using Education, Supply and Demand information for LPNs, RNs, APRNs, Diversity Focus, Faculty 	<ul style="list-style-type: none"> Develop a series of Fact Sheets using Education, Supply and Demand information for LPNs, RNs, APRNs, Diversity Focus, Faculty
Special project each year	<ul style="list-style-type: none"> 	<ul style="list-style-type: none"> 	<ul style="list-style-type: none">

Other Reports- role of Research Team?

- Impact of Covid-19 on nursing workforce
- Social Determinants of Health /Center to Champion Nursing Innovation Grants
- Diverse student’s clinical experiences
- Faculty/director survey - 2022

Program Evaluation- Role of Research Team?

- So You Want to be a Professor Workshop. Tool development, evaluation, planning future years
- Mentoring Diverse Faculty with Colorado Nursing Center Model
