

WCN Diverse Nurse Faculty Mentorship Program

The Washington Center for Nursing is seeking nurse faculty to participate in a mentorship program to support underrepresented educators new in their role.

WCN's mission is to support a healthy Washington by engaging nurses' expertise, influence, and perspective and by building a diverse, highly qualified nurse workforce to meet future demands. A 2017 WCN survey of nurse educators found that nursing faculty lack racial and ethnic diversity compared to the nursing student population and the population of WA state.

ROLES AND COMMITMENT

This pilot program will run for 12-months, starting January 28, 2022.

- Both mentees and mentors agree to meet for at least one hour once a month, either in person or remotely, over one year.

Mentors

- We welcome mentors from all backgrounds to apply. Mentor applicants must have at least two-years' experience in a leadership role.

Mentor Professional Development Commitments

- Attend a two-day Mentor Training Institute to prepare for this role and important responsibilities. The dates for this event are from (8 AM-4:30 PM) Friday, January 28, and Saturday, January 29, 2022 (CE credits available).
- Participate in monthly one-hour group coaching sessions for 6 months via virtual conference from February through July 2022.

Mentors can help mentees succeed in scholarly productivity, career development, work-life balance, and socialization in academia. This program is being piloted in direct response to the need for greater diversity among nursing faculty in Washington state.

HOW TO APPLY

Click on the links below to fill out and submit a mentor or mentee application. (The application should be viewed in total rather than one question at a time. Application will take an estimated 15-20 minutes to complete.)

Mentor application link: <https://www.surveymonkey.com/r/QD776Z6>

Mentee application link: <https://www.surveymonkey.com/r/QVFNYKJ>

The deadline for applications is midnight, Sunday, December 5, 2021.
